Day	Location
Day 1	Arrive Christchurch – Private Transfer to your STAY – relax, take it easy, and if you arrive early perhaps a city tour might be a good option to see this charming English influenced city
Day 2	Its an early start today so to make time to have breakfast before your real journey starts with a private transfer to bring you to the Rail Station for one of the world’s most scenic rail journey on the TransAlpine to the west coast of New Zealand. Once you reach Greymouth coach guests will need to make their way to the coach stop and self drive guest don’t forget to pick up your car (both the car pick up and coach pick up is at the railway station, so you need not have to walk far) to make your way to Glacier Country (Franz Josef/Fox Glacier)
Day 3	The glacier region is a stunning landscape region where rainforest meets glaciers and is worth exploring this beautiful countryside. Once you are rested and satiated after a hearty breakfast

	you will go on the Glacier Valley guided walk that will take you to the face of the glacier. This walk will help you become one with nature as you marvel at the rainforest canopies as you walk through until you come to the terminal face of the glacier. There are not many places in the world a visitor can get so close and still be just 300 meters above sea level. Later perhaps you might want to consider a scenic Heli flight with alpine glacier landing or better yet if you do the Heli Hike, which is an experience of lifetime.				
Day 4	Tuck in another hearty breakfast and head out bright & early today to go over Haast Pass to Queenstown – (self drive guests) please ensure Haast Pass is open for driving before you make your way to the adventure capital of the world.				
Day 5	Drive along the eastern side of Lake Wakatipu to Lumsden, Te Anau and along the way stop at Mirror Lake and marvel at the “clear as glass” water and reflection of the sky and surrounding landscape. Then pass through the Eglinton Valley and Homer Tunnel to reach Milford Sound for the Scenic Cruise on the 8 th wonder of the world. After the cruise head back the way you came to Queenstown				
Day 6	Wake up to another beautiful day in Queenstown. Today is pretty much your day to chill and do what you want, wait a minute don't forget to go on the Gondola to Bob's peak. Also check out our recommended options				
Day 7	After a good night's sleep in in the Alpine Ski Resort of New Zealand you will make your reluctant way back to airport for your flight back home. SAFE TRAVELS
