Day 1	Arrive Auckland – Private Transfer to your accommodation – relax, take it easy, later take a walk to the Sky Tower and if the night is clear take a ride up to the observatory see the beautiful Auckland cityscape
Day 2	This is truly a relaxed day with no agenda of any kind and yours to completely enjoy. Auckland has a vibrant Central Business District (CBD) and much to explore within the CBD and you could spend a bit time wandering around the CBD. Take a walk down to the Viaduct and the Ferry Terminal and walk along the Viaduct and see first hand why Auckland is called the “City of Sails
Day 3	After breakfast its time to pick up your rental car or your Luxury Bus will pick you up for your trip

	to Waitomo Glowworm Caves and then on to Rotorua. You will go on a guided tour of the world famous Waitomo Glowworm Caves including an underground boat ride viewing the millions of Glowworms on the cavern roof. Tonight you will check in to your chosen accommodation in Rotorua
Day 4	This morning its time to go to Te Puia Thermal Reserve for the song & dance show of Maori culture, see Pohutu Geyser, Kiwi Birds and boiling mud pools. Then onward to Rainbow Springs to see New Zealand's trout, birds and wildlife before continuing to the famous Agrodome for the Sheep Show featuring sheep dog demonstrations and sheep shearing. Afternoon is yours to do what you please.
Day 5	Say farewell to this thermal landscape as you make your way to Rotorua airport for your flight to Queenstown (Alpine Resort of New Zealand and many say its even prettier than Switzerland)– Please note the airfare is not included
Day 6	A Scenic Cruise amidst majestic landscape is today's agenda. Milford Sound – 8 th Wonder of the World as declared by Rudyard Kipling –is a stunning Fiord carved by glacial erosion surrounded by looming mountains and cascading waterfalls. This is the location of your Cruise. The drive to the Fiord is itself a treat.
Day 7	Another day of pure relaxation with just a gentle ride on the Gondola to Bob's Peak (very close to town center) from where you view Queenstown as a bird sees and also see much of Central Otago and on a clear day you might even be able to see Mount Cook.
Day 8	You will cross Lake Wanaka & Lake Hawea then go over Haast Pass down to the west coast, traveling through the world heritage Westland National Park and along the Tasman Sea to Glacier Country Fox Glacier & Franz Josef.
Day 9	The glacier region is a stunning landscape region where rainforest meets glaciers and we recommend a guided walk today that will take to you to the face of the glacier. This is an option we think you will like.
Day 10	Head to Greymouth in time to catch your Transalpine Scenic Rail to Christchurch. If you are Driving your own Car, don't forget return it at the station car depot.
	All good things must come to an end and so does this amazing vacation of yours as you make your way to the airport. SAFE TRAVELS
